Fountainhead's 2023 Artists-in-Residence

Each year, the fully funded [Fountainhead Residency](#) welcomes at least 30 artists from all over the world to live and work in a midcentury home in the historic Morningside neighborhood of Miami, Florida. Thirty exceptional contemporary artists working across various media have been selected as [Artists-in-Residence for 2023](#).

This year’s applications were thoughtfully reviewed by Allison Glenn, a senior curator at the Public Art Fund in New York; Susanna Temkin, a curator at El Museo del Barrio in New York; Rodrigo Valenzuela, a Fountainhead alum, visual artist, and professor of photography at the University of California Los Angeles; and Melissa Wallen, the director of the de la Cruz Collection in Miami.
